In memory of Jerry Webber, a fellow class member, who was killed in an auto accident in the summer of 1953. Jerry, who came here in 1947, was well known in the halls of Midwest City High School. He will be long remembered by all who knew him.

Friends of my youth, at last adieu!
Haply some day we meet again;
Yet, ne'er the self-same men shall meet;
The years shall make us other men.

The Junior Class has worked long and diligently this year to make their class a success. In all fairness we must agree that they have had a wonderful year of study and play. Their goal has been a high one and only by determination could it have been reached. Our only hope is that they will continue with their enthusiasm during their Senior year.

The 250 members of the Junior Class, having participated in many activities, have had a very full year. There were 11 juniors in student council, 30 in pep club, 17 in the band, and 38 in mixed chorus.

The officers and members have worked hard on all their class projects. Some of these activities were: selling tickets and acting in the Junior Class Play, "Stage Door"; sponsoring the school Christmas dance; and giving the traditional Junior-Senior Prom. Each of these activities was a huge success.

The sponsors have been unequalled in support of their class. These included Mr. and Mrs. Lyon, Mrs. Van Dusen, Mrs. Looper, Mr. Rounds, Mr. Jones, Mr. Gregory, Mrs. Hansen, Mrs. Barber, and Mr. Herford. To these teachers, we give praise.

We feel that if the juniors do as well during their senior year, Midwest City Senior High will, indeed, be fortunate.

Last September a large group of Sophomores entered the doors of M.C.H.S.

The sponsors of this class were Miss Melton, Mrs. Webb, Mrs. Wood, Mrs. Carlisle, Mr. Howerton, and Mrs. Provine.

We participated in the Student Council, F.H.A., Band, F.F.A., Football and Basketball.

Our Home Economics class presented a style show for the P.T.A. We also sponsored the Sweetheart Dance, which was very successful.

We have made a great start in M.C.H.S. and we hope to be even better in our Junior year.

BOMBERS TAKE 3A CROWN!

The 1953 Bomber football team was largely composed of Seniors. These boys have been playing together since junior high school and have a very impressive record for all of these years, which was climaxed by their 9-2 record this year.

The Bombers begun the '53 campaign by smothering Chandler, 39-7. They then marched over Edmond, 62-32, Putman City was next on the list; they went down 25-6. The Bombers battered Purcell 48-0. Barnsdall came to Midwest City to participate in our homecoming game and went home on the short end of a 38-0 score. Henryetta was next on the list and they bowed to our strong Bomber crew 41-7. Pauls Valley went down 37-0. The Bomber downed Southeast 24-6. We finished our regular schedule with a 59-20 score over John Marshall.

Twenty boys received letters for their efforts this year. Eight Seniors earned places on the All-District team for District 3-A. Don Nelson and Joe Phillips won Honorable Mention on the South All-State team. Bill Krisher was placed on the South All-State team. He will represent Midwest City in the All-State game next fall.

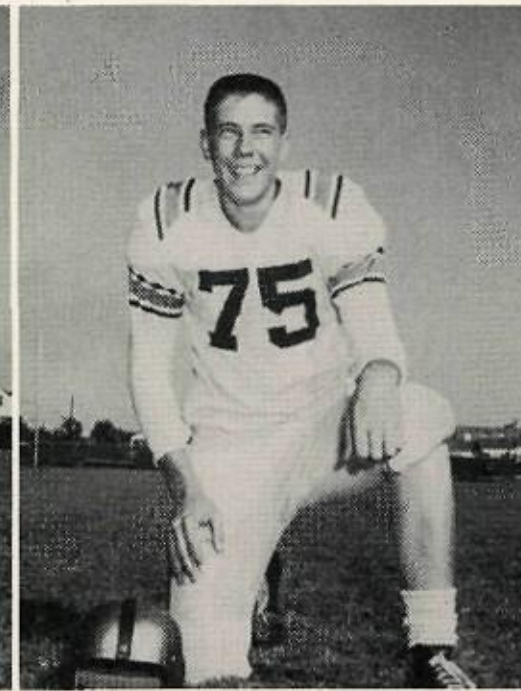

The '53 Bombers finished their season as District 3-A Champs and also went into the quarter-finals of the State Class "A" playoffs.

BOMBERS TACKLE TOUGHEST SEASON

The 1953-54 Bomber Basketball Team, playing the most difficult schedule in the history of the school nevertheless compiled the best won-lost record (21-7) of any previous Bomber team.

Sparked by Senior, Marvin "Bones" Pilgrim, Sam Sanborn, and Ray White, this year's cagers won championship trophies at the Gaymon Festival and the Southeast Invitational Tournament. Although placing second in the Midland Conference, the Bombers were the only Conference team to defeat Pauls Valley's Champions. The Black and Gold turned this trick in two of the three games between the two teams.

The real key to the success of this year's team appeared to be the fierce competitive spirit displayed by the boys themselves. Coach John Pratt's 1953-54 Bomber team will long be remembered for its hustle and desire to win. These factors combined with a tenacious man-to-man defense and a smooth functioning pattern of offense vaulted the Bombers into 6th place in the final Daily Oklahoma rating of AA schools.

Our successful season included fifteen victories over nine losses. Our young team consisted of four Sophomores, five Juniors, and three Seniors. They are cooperative, and hard-working. With this spirit we should have a winning team next year too.

The Midwest City High School band had a very active schedule this year. We participated in many pre-game parades and pep assemblies. We marched in the Fair Day and American Way of Life parades also. We attended Band at Norman and '89ers Day at Guthrie.

One of the highlights of the Oklahoma music activities was the "Battle of the Bands." Another contest in which we participated was the Ponca City marching contest.

Other contests we attended were the Purcell contest, Central State Music Festival, District at O.C.U. and the State Meet at Norman. The Tri-State Band Festival at Enid is always a big event in our year, and our bandsmen had many excellent solos and ensembles to play there.

Seniors graduating this year are: Dean Andrews, Peggy Brady, Neta Brown, Russel Brown, Glenda Griffin, Janette Harris, Rose Marie Holden, Shirley Jones, Robert McDowell, Don Pitts, David Playford, Katherine Shaeffer, Callie Spearman, and Dorcie Stallings.

The Five-Year members of the band are: Peggy Brady, Neta Brown, Rose Marie Holden, and Callie Spearman.

JUNIOR CLASS PLAY

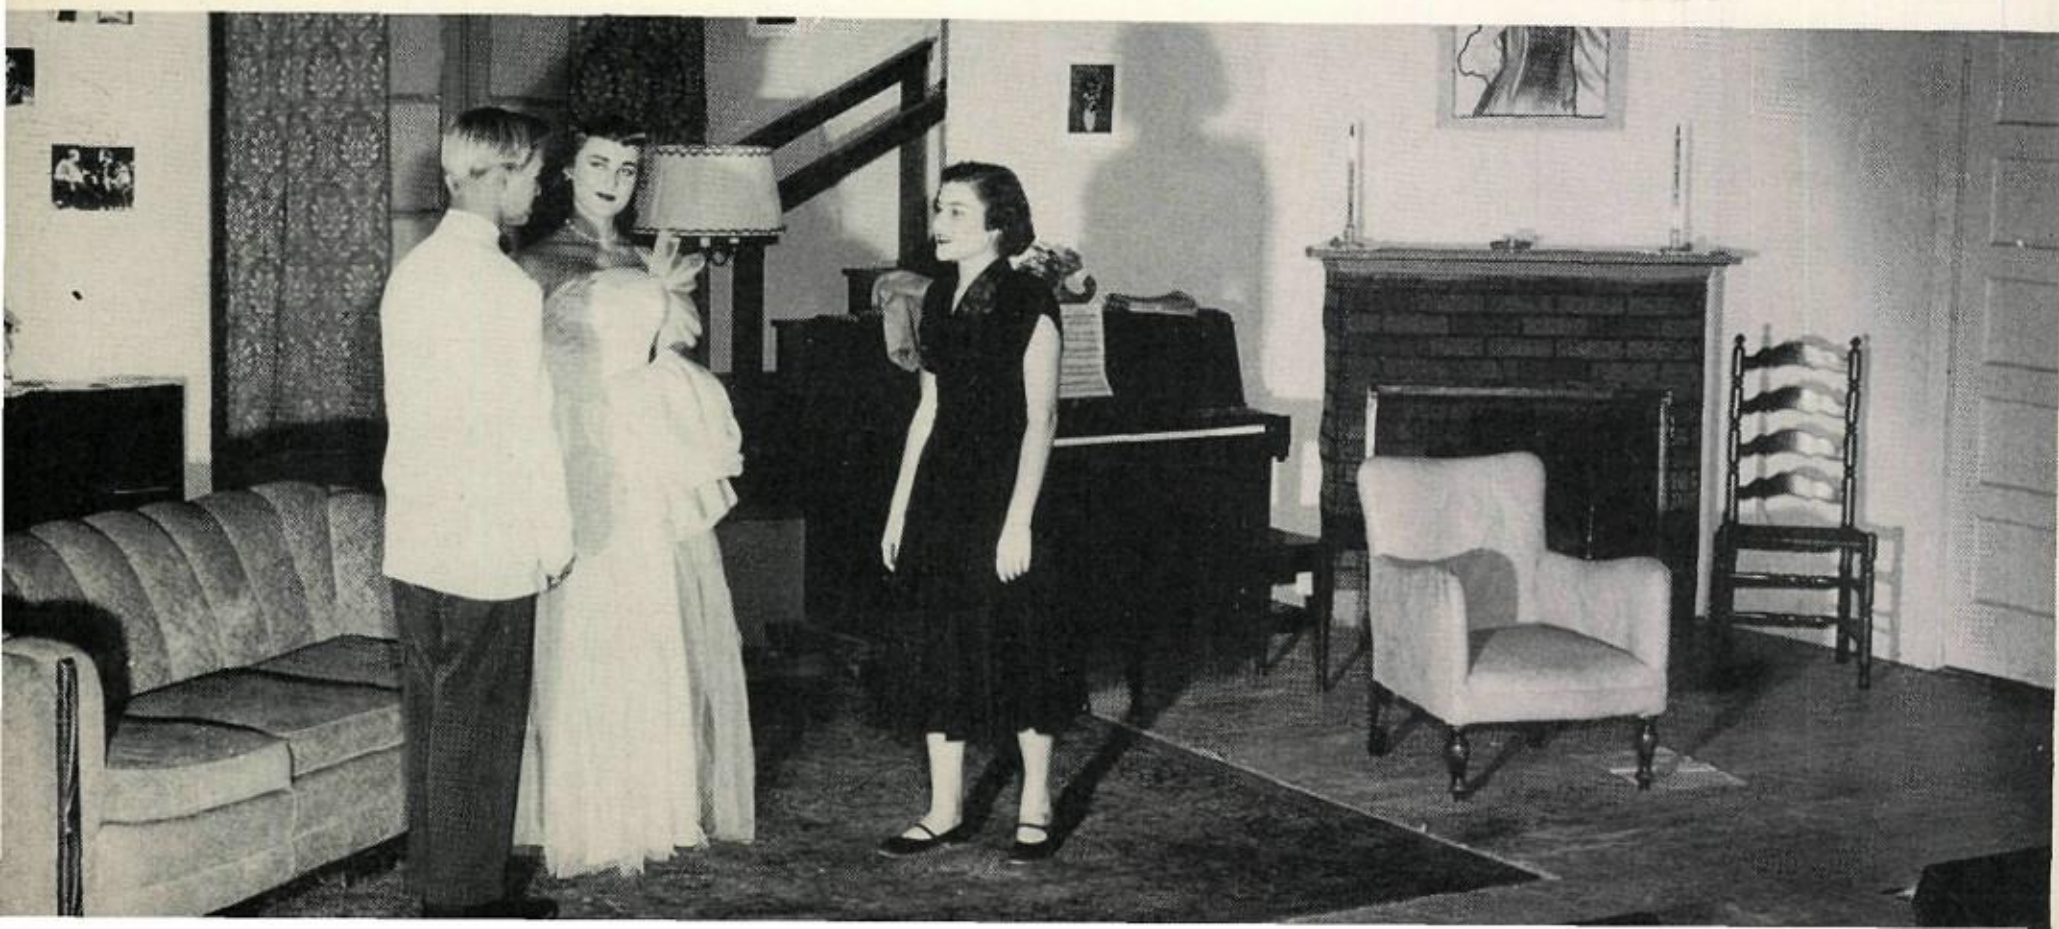

"STAGE DOOR"

The play takes place in the home for stage actresses in New York City, and features the joys and sorrows, as the actresses try to get employment on the stage.

The play was chosen because of the large number of girls in the Junior Class who are interested in drama. Twenty-nine of these girls appeared in "Stage Door." Connie Haven played the leading role.

The Student Council of Midwest City High School began the year of 1953 with an all-junior officer slate, elected the previous spring.

The Council, for the first time, was required to hold its meetings after school and only those who were willing to spend extra time and those who had a genuine interest in their school, ran in the election of members.

Through the able leadership of the president, Tommy Hall, and sponsor, Mrs. Barber, the Council accomplished many important and beneficial deeds for the school. Included in the 1953-54 Student Council's routine activities were mixers after ball games, football homecoming, annual sales, and sponsoring class dances.

There were several outstanding special projects this year. For the first time, an accurate, neatly printed student directory was published by the Council. Courtesy Week was observed just preceding Career Day. During the month of March the Council invited the Southeast Senior High School Student Council to a luncheon and program, for the purpose of encouraging inter-school spirit. This was a very enjoyable occasion.
